

Brass Fax — AI Assistants for Small Business

✨ Welcome to Brass Fax

We make advanced AI technology simple, safe, and useful for small businesses and freelancers. Our fully managed AI assistants handle customer questions 24/7 — so you can spend less time answering emails and more time running your business.

We turn your existing content — your website, FAQs, documents, policies — into a fully trained, friendly AI assistant that speaks directly to your customers. No technical knowledge required — we handle everything.

Who We Help

-  Small businesses (1 to 50 employees)
-  Freelancers, solo founders & consultants
-  Fitness studios, personal trainers, wellness businesses
-  Music teachers, music tech businesses, venues & rehearsal spaces
-  E-commerce shops
-  Professional services (lawyers, accountants, tutors, coaches)

How It Works

-  **Step 1:** You send us your existing content (FAQs, website, PDFs, policies).
-  **Step 2:** We build and train your AI assistant.
-  **Step 3:** We integrate it into your website.
-  **Step 4:** We handle ongoing management and updates.

Pricing (Launch Offer)

-  One-Time Setup: **£1,000**
-  Managed plan: **£200/month**
-  Premium plan: **£400/month** (includes monthly optimization & reviews)

? Frequently Asked Questions

-  **Do I need to know anything about AI?**
No, we handle everything for you.
-  **Is my data safe?**
Yes. 100% private, GDPR-compliant, never shared.
-  **What happens if my business changes?**
We update your AI assistant as part of your managed plan.
-  **What if the AI doesn't know an answer?**
It politely collects the customer's contact details and notifies you.
-  **Is there a contract?**
No long-term contract. Managed plans are billed monthly and cancellable anytime.

Why Brass Fax?

Unlike SaaS chatbot tools, Brass Fax is fully managed and done-for-you. We build, train, monitor, and improve your AI assistant — so you stay focused on your business while we handle the AI.
